**GOVERNMENT’S MOTION TO SEAL ITS MOTION IN LIMINE TO  
PRECLUDE ADDITIONAL IMPROPER DEFENSE ARGUMENT ABOUT, OR  
REFERENCE TO, IRRELEVANT VIDEO FOOTAGE**

---

The United States moves to seal its Motion *in Limine* to Preclude Additional Improper Defense Argument About, or Reference to, Irrelevant Video Footage. Local Rule 8.1 states that it is the policy of this District Court to allow any party to file a document under seal. The Court can subsequently decide precisely how long a sealed filing will remain under seal.

The parties in this case have filed various documents under seal, most notably those related to disputes over the admissibility of materials provided in discovery. The Government’s Motion *in Limine* references a sealed order in this case; as a result, the Government will file the Motion under seal.

Respectfully submitted,

United States Attorney
